

Unit 0 – Review past Math Topics HW list

Tentative TEST date _____

Big idea/Learning Goals

In this unit you will review most of the topics you have learned from grade 7 – grade 9.

If you ever miss any class you are responsible to catch up on the lesson done in the Survival Guide and the homework pages assigned. Use the website www.mrsk.ca

Success Criteria

Date	DAY	Topics	Done?	Corrected?
	1	Plotting Points and Slopes of Lines		
	2	Add & Subtract Integers		
	3	Long Digit Operations		
	4	Fraction Basics & BEDMAS		
	5	Mult & Divide Fractions and Algebra		

Reflect/Communication

Read the following qualities of a great student, before you answer the questions below:

Attends classes	Arrives to class on time	Minimizes distractions (cell/food/chatting etc)	Gets help when things are unclear right away	Finishes homework
Takes neat and complete notes	Participates in class	Helps others	Prepared and organized	For incorrect answers finds out exactly where he/she made the mistake
Raises hand instead of blurting out answers	Follows directions	Respects personal boundaries	Sociable and polite	

What are your strengths as a student?

What are your weaknesses that you'll try to improve upon this semester?
